

VETERANS RESERVED PARKING INITIATIVE

Join the effort to put these special parking signs all over Howard County!

Show your appreciation to those who have served in the armed forces. Reserve a parking spot — or several — for veterans in your parking lot. The Veterans Reserved Parking Initiative can be your visual way of showing appreciation for veterans who live, work, shop or just relax in Howard County.

- The parking spaces are provided on a voluntary basis by a property owner or business with permission from their property management company. You don't lose a parking space as veterans are already visiting your location.
- Veteran parking spaces will be for any veteran with or without a DMV-issued vehicle license plate from any state.
- You may also create a personalized donor plate to honor a loved one or let others know who purchased the sign.
- Reserved Veteran Parking signs can be ordered by using the forms on the Howard County Chamber of Commerce website at www.howardchamber.com, or by calling Image360 (410-312-3676) and Signarama (410-984-4538).
- Signage and installation can be purchased through Image360 and Signarama which are providing a significant discount to business and property owners. Additional donations will go toward veteran and military family programs.

Currently, signs can be found around the County at AIDA Bistro, Leidos, The Mall in Columbia, Turf Valley, Howard County General Hospital, Elkridge Furnace Inn, Stella Notte, and Green Valley Marketplace.

Together, let us honor and support our veterans.
